

Gartree High School

Ridgeway, Oadby, Leicester, LE2 5TQ

27th January 2017

Dear parents/carers,

I am pleased that so many Year 6 parents were able to join us on Wednesday for our SATs evening as we prepare for SATs week, which is the week beginning 8th May. Those parents that were unable to join us on the night will receive the resource pack shortly. Please encourage your son/daughter to review their learning on a regular basis. We will be holding specific numeracy and literacy sessions for parents in the future to help you support your child as they approach an important exam week.

Creativity in the curriculum is highly valued at Gartree High School. All of our students enjoy lessons in art, design technology, music and drama. Creativity can also be found in other subjects through a variety of teaching methods and activities. We often take the opportunity to learn beyond the classroom. On Monday a group of Year 9 students will be visiting the V & A museum in London to extend their understanding and prepare for their next art project. All students will have the opportunity to work together and be creative during our Innovation day on Thursday 9th February.

We continually strive to improve our communication with parents. If you have not already signed up for our Insight App or have any questions regarding Insight, please e-mail insight@gartree.leics.sch.uk

Finally, congratulations to our Year 9 basketball team who won against South Wigston High School on Tuesday.

Have a good weekend.

Yours sincerely,

A handwritten signature in black ink that reads 'S. Singleton'.
