

Gartree High School

Ridgeway, Oadby, Leicester, LE2 5TQ

28th April 2017

Dear parents/carers,

Enrichment week has been the topic of conversation for many of our students as we start the summer term. All students have been allocated an enrichment group for week beginning Monday 22nd May. This is an opportunity for our students to work collaboratively across year groups and in a wide range of activities, subjects and environments. Some students have chosen to spend the week developing skills they are already nurturing and other students are trying something completely different and out of their comfort zone. Whatever their course, it is our aim to build their confidence in a full range of activities and create a memorable experience for them all.

Today, Year 7s are completing Geography fieldwork at Bradgate Park. Luckily the sleet and hail has held off! The Maths Challenge has also been held this week. It is a busy time for everyone and Year 6 are completing their final preparations for SATs. Years 7, 8 and 9 will sit their end of year exams in June. Whilst we keep students busy with homework, there is always a place for reading fiction or non-fiction to build knowledge and understanding. So if your son or daughter is at a loose end over the bank holiday, perhaps encourage them to pick up a book or a magazine.

I look forward to seeing Year 8 parents next Wednesday and Thursday for our annual parents' evening.

Enjoy the bank holiday weekend.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'S. Singleton'.
