30th June 2017

Dear parents/carers,

This week our KS4 study area/learning hub has started to take shape. This is a small manifestation of the planning and preparation taking place for our Year 10 students. Everything is taking shape and going to plan and we cannot wait to get started. This afternoon, our team of prefects have had their induction training. We are also in the process of selecting our first Head Boy and Head Girl. These are very exciting times for us as we create an outstanding environment for our KS4 students.

Some of our Year 8 students are embarking on the first steps of the Sports Leadership Programme as they prepare for Sports Day activities. Final preparations are being made for the last week of term. Year 10 students will be on their residential in Norfolk and Year 6 will have their trip to Twycross Zoo. End of year reports are being written for Year 7 and 8 whilst the final grades and test results are being collated for all years. Next week we get our last Year 6 SATs results and I am currently in the process of signing certificates for many of our students who have excelled this year and who have been awarded merits.

An important reminder that our final day is Friday 14th July. School uniform must be worn by all students and our school day finishes at 12.20 pm. A range of food will be available at break time for those students who wish to take an early lunch.

Have a good weekend.

Yours sincerely,
