

Gartree High School

Ridgeway, Oadby, Leicester, LE2 5TQ

4th May 2018

Dear parents and carers,

Over the last two weeks we have been logging the number of journeys made to school on either a bike or a scooter. This is part of the Sustran's Big Pedal initiative and links to our aim to reduce our impact on the environment. Congratulations to 8KG who have embraced this challenge with their participation. As the weather has finally improved, it would be great to see more students taking the opportunity to walk, cycle or scoot to school where possible.

This week I have spent some time in our PE department watching the excellent work that takes place with our young people. Despite the pressures on the school day and the curriculum, we strongly believe that physical activity is vital to the overall wellbeing of our students. Students in all years have at least a double lesson of PE covering a range of sports and activities. In addition, the PE department offers a full range of extra-curricular opportunities. Please encourage your child to participate in the sports they enjoy or try something new!

On Tuesday 8th May at 6.30 pm we will be holding an e-safety information evening for parents and carers. The evening will cover establishing ground rules, on line safety and essential dialogue, to create safe and responsible usage. Our e-safety coordinator, Mr Aslam, will be available to discuss any concerns you may have.

Have a lovely bank holiday weekend.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'S. Singleton'.
